

Animal Safari Learning Journey

In this project, you will learn about the animals that live around the world, how to look after animals and the importance of caring for our local and global environments.

Dear Zoo

 Understanding the world

What is a zoo? 

 Understanding the world

What animals live in a zoo?   

 Understanding the world

Do you own any pets? 

 Understanding the world

Why are these animals not suitable as pets? 

Farms

 Understanding the world

What might we see or hear at a farm? 

 Understanding the world

Which animals did we see on our visit? 

 Understanding the world

What was your favourite part of the visit? 

What am I?

 Literacy

What is a contents page? 

 Understanding the world

What is a mammal, amphibian, reptile, omnivore and herbivore? 

 Understanding the world

Can you sort these animals into groups based on their features? 

Endangered animals and their habitat

 Understanding the world

What is a habitat? 

 Understanding the world

Why are their habitats endangered? 

 Understanding the world

How are the animals that live in cold and hot places similar and different?  

Animals for around the world

 Understanding the world

How do the pictures of rainforests look different to where we live? 

 Understanding the world

If you were to walk through a rainforest, what would you see? 

 Understanding the world

Which animals live around the school and in our local area?
