1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the statutory guidance on [Working together to improve school attendance](#) from the Department for Education (DfE). We aim to achieve this through our whole-school culture and ethos that values good attendance, which includes:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

Good attendance means being in school at least **95% of the time (180 days or more)**

Our school attendance target is **96% and above**

There are **365 days** in a calendar year. **175 days** are **non-school** days which can be used for family time, visits, holidays and shopping.

		190 School Days in Total	No. of lessons missed over a year	No. of days absent over a year	No. of weeks absent over a year
 We're impressed! Best chance of success	100% attendance	190 days	0	0	0
	95% attendance	180 days	50 lessons	10 days	2 weeks
 We're concerned Less chance of success	94% attendance	179 days	55 lessons	11 days	Over 2 weeks
	90% attendance	171 days	95 lessons	19 days	Nearly 4 weeks
 We're worried Serious impact and reduces life chances	89% attendance	169 days	105 lessons	21 days	Over 4 weeks
	85% attendance	161 days	145 lessons	29 days	Nearly 6 weeks

2. Legislation and guidance

This policy is based on the DfE's statutory guidance on [Working together to improve school attendance](#) and [School attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- The [Equality Act 2010](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- [Ofsted's 2025 framework toolkit](#)

3. Roles and responsibilities

3.1 The board of trustees

The board of trustees is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance

- That absence is almost always a symptom of wider issues
- The school's legal requirements for keeping registers
- The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Sharing effective practice on attendance management and improvement across schools]
- Holding the Principal to account for the implementation of this policy

3.2 The Principal

The Principal is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and/or authorising the SENDCo & Inclusion Manager to be able to do so
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels
- Sharing information from the school register with the local authority, including:
 - Notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times
 - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
 - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness

3.3 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance

- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader responsible for attendance is the school's SENDCo & Inclusion Manager, Sue Podolska, and can be contacted via email at spodolska@battleprimary.co.uk

3.4 The attendance officer

The school attendance officer is responsible for:

- Monitoring and analysing attendance data
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the Principal
- Working with education welfare officers to tackle persistent absence
- Advising the Principal/ Designated Senior Lead for Attendance (authorised by the Principal) when to issue fixed-penalty notices

The attendance officer is Marcel Frederick and can be contacted via marcel.frederick@brighterfuturesforchildren.org

3.5 Class Teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office by 9am and by 1.40pm each day.

3.6 School admin staff

School admin/office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Family Worker or SENDCo & Inclusion Manager where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day and on time (school opens at 08:45 and registration is at 08:55)
 - Contact the school before 8:45am on the first and each subsequent day of absence, or as soon as practicable, stating the reason and expected return date
- Provide the school with more than 1 emergency contact number for their child

- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance

The school encourages families who are experiencing difficulties with attendance to contact the school and seek support as early as possible.

For help regarding absence, parents can contact:

Sue Podolska (SENDCo & Inclusion Manager) on 0118 9375421 or email on spodolska@battleprimary.co.uk

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending a place other than school
- Absent
- Absent - Unable to attend due to unavoidable causes

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Pupils in **Nursery** must arrive in school by **08:30am for the morning session** and **12:15pm for the afternoon session**.

Pupils in **Reception to Year 6** must arrive in school at **08:45** on each school day.

The register for the first session (PM) will be taken at **08:45** and will be kept open until **08:55** in class

The register for the second session (PM) will be taken at 12:30 for Reception and Year 1, 13:00 for Year 2 and 3, and 13:30 for Year 4 to 6. They will be kept open for 5 minutes.

[.Working together to improve school attendance](#)

4.2 Unplanned absence

Parents/carers should notify the school on the first and every subsequent day of unplanned absence, or as soon as practicable between 07:30 - 08:15

Ring the school office on **0118 9375421**

Email the office on battleadmin@battleprimary.co.uk

We will mark absence due to physical or mental illness as authorised unless we have a genuine concern about the authenticity of the illness, or attendance is below 90%.

If the authenticity of the illness is in doubt or attendance is below 90% we may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. You will be required to provide proof of the appointment if your child's attendance is below 90%. If proof is not supplied the absence may be marked as unauthorised.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary and should attend before and after the appointment.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

Gates will **close** by **08:55**.

If your child arrives after this time they should enter through the main office.

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

The admin team record all late arrivals and time of arrival. Where lateness is repeated, parents will be invited to a meeting with the Inclusion Manager to discuss any difficulties and areas of support that may be required.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Contact parents/carers on the first morning of unexplained absence and try available emergency contacts. If the child's whereabouts or welfare remain unclear, the designated safeguarding lead will assess the risk and consider a welfare visit, referral to children's social care and/or a police welfare check.

- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with the school may issue a notice to improve attendance, a penalty notice and/or other legal intervention as appropriate.

4.6 Reporting to parents

The school reports to parents/carers on their child's attendance record annually in the written end-of-year report and also verbally during termly parent/carer meetings. You may also receive a termly written report if your child's attendance is below 95%.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Principal will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Principal will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Principal's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, accessible via the school's website or the school office. The Principal may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)

- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart for religious observance. Pupils should attend school on the days surrounding those set apart for religious observance
- Parent(s) travelling for occupational purposes – a pupil is a mobile child if their parent is travelling in the course of their trade or business and the pupil is travelling with them. In these circumstances a pupil will be considered as a mobile child, provided they are of compulsory school age and have no fixed abode and whose parent is in a trade or business that requires them to travel from place to place
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6. Strategies for promoting attendance

We want our pupils to succeed and develop their skills. To do this, pupils need to avoid missing lessons and days of school as much as possible. As a school, we want to reward high attendance and not just penalise pupils for poor attendance.

We promote regular attendance through conversations with families, recognition of class attendance and improvement, early identification of barriers, and support from the family worker and attendance lead. Recognition will be inclusive and sensitive to disability and unavoidable medical absence.

The school uses the following strategies for rewarding and improving attendance:

- Weekly attendance trophy and certificate in assemblies
- Attendance display in Lower Hall to Celebrate
- Attendance 'shields' on website
- 100% attendance certificates each term plus a reward
- 100% Club for those that attend 100% of the year – medals, certificates and treat with Principal
- Most improved attendance awards and certificates
- Support for families via the school's Family Worker

7. Supporting pupils with poor attendance

Our school will make use of the full range of support and potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

7.1 Attendance contract

We use attendance contracts as a form of attendance support.

An attendance contract is a formal written agreement between a parent and the school to address irregular attendance at school. An attendance contract is not legally binding, but it provides a more formal route where previous support has not worked or would not have been appropriate.

Parents cannot be compelled to enter an attendance contract, and the school cannot agree an attendance contract in a parent's absence.

Where an attendance contract would be an appropriate form of support, the school will arrange a meeting with the parent (and pupil if they are old enough to understand) to discuss how we can work in partnership to improve the pupil's attendance.

Where parents fail to comply with an agreed attendance contract, the school may seek an alternative course of action. In the first instance, this will include discussions with the parents to seek explanations and determine whether the attendance contract remains useful. Where there is further non-compliance following these discussions, the school may take further action.

If you don't offer attendance contracts, renumber the sub-sections below.

7.2 Education supervision order

In cases where voluntary early help plans and attendance contracts have been unsuccessful, we may work with the local authority to issue an education supervision order. If an education supervision order is considered, the local authority will inform the parent(s) in writing and will set up a meeting.

An education supervision order is a formal intervention but not criminal prosecution.

An education supervision order initially lasts for 1 year, but it can be extended within the last 3 months for a period of up to 3 years at a time.

In cases where parents persistently fail to meet the directions given under the education supervision order, they may be liable to a fine of up to £1,000 upon conviction.

7.3 Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

A notice to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

It will include:

Details of the pupil's attendance record and of the offences

The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)

Details of the support provided so far

Opportunities for further support or to access previously provided support that was not engaged with

A clear warning that a penalty notice may be issued, or prosecution considered, if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis

A clear timeframe of between 3 and 6 weeks for the improvement period

The grounds on which a penalty notice may be issued before the end of the improvement period

7.4 Penalty notices

The headteacher (or a deputy or assistant headteacher, authorised by the headteacher), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, we will check with the local authority before doing so, and send the local authority a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)

Whether a penalty notice is the best available tool to improve attendance for that pupil

Whether further support, a notice to improve or another legal intervention would be a more appropriate solution

Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate. Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a first penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a second penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

8. Supporting pupils who are absent or returning to school

8.1 Pupils absent due to complex barriers to attendance

If the school becomes aware of barriers that relate to the pupil's needs, we will inform the local authority.

The attendance lead and family worker will work with the pupil and family to identify barriers, including those in school, agree an individual support plan where useful, and involve the local authority and other partners as needed.

8.2 Pupils absent due to mental or physical ill health

We will discuss physical or mental health needs with the family and pupil, consider reasonable adjustments and medical advice where relevant, agree a proportionate plan for attendance and review its effect. We will coordinate with health professionals and the local authority when appropriate.

Parents should consult the NHS guidance [Is my child too ill for school?](#) when deciding whether to keep their child home due to illness. We will share this guidance with parents, and provide support in understanding it, in order to promote school attendance wherever appropriate.

8.3 Pupils absent due to other barriers to attendance

We will consider the circumstances of pupils with SEND, those experiencing disadvantage, children known to children's social care and young carers, and coordinate support with relevant staff and agencies.

Where a pupil has an education health and care (EHC) plan and their attendance falls, the school will inform the local authority.

8.4 Pupils returning to school after a lengthy or unavoidable period of absence

We will plan a pupil's return with their family and relevant staff, considering catch-up support, a trusted adult, reasonable adjustments and a reviewed reintegration plan. Any temporary part-time timetable will be exceptional, time-limited and reviewed.

8.5 Prolonged absence for children in the EYFS

For Nursery and Reception children, we will review patterns of prolonged or unexplained absence in light of the child's vulnerability and circumstances and follow up promptly with parents and emergency contacts.

In cases of prolonged absence, or when a child is absent without notification, we will attempt to contact the child's parents and alternative emergency contacts.

When deciding whether a child's absence should be considered prolonged, we will consider the:

Patterns and trends in the child's absences and their personal circumstances

Vulnerability of the child and their parents, as well as the circumstances of their home life

We will follow the school's child protection and safeguarding policy and refer concerns to children's social care or request a police welfare check where necessary.

9. Attendance monitoring

The attendance lead at Battle Primary is Sue Podolska (SENDCo & Inclusion Manager) and she monitors pupil absence on a daily & weekly basis depending on their child's prior attendance.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

If a pupil's absence goes above **3 days**, we will make a welfare check to the family home.

If a pupil's absence continues to rise after contacting their parent/carer, we will consider involving an education welfare officer and putting the child on a 6-week attendance plan.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee. At this point the child will be put on a six-week school attendance plan.

Attendance plan

Pupils with unexplained poor attendance or persistent absenteeism (below 90% attendance) will be placed on a six-week school attendance plan. Parents will be invited to meet with the Inclusion Manager. The school will work with the family to support regular attendance and offer assistance where the family are experiencing difficulties. We are also able to sign post families to further support from outside partner agencies. If a pupil has 6 absences NOT considered exceptional (3 days) and/or 95% attendance is not achieved during this period a warning letter may be issued. Parents will be invited to attend an attendance panel with the Inclusion Manager and Education Welfare Officer. Further absence may result in a prosecution being pursued through the local authority

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the Board of Trustees.

The school collects and stores attendance data on SIMS and this may be used for internal purposes. For example, to:

- Track the attendance of individual pupils
- Identify whether or not there are particular groups of children whose absences may be a cause for concern
- Monitor and evaluate those children identified as being in need of intervention and support

9.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the board of trustees.

9.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

9.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the board of trustees and school leaders (including special educational needs co-ordinator, designated safeguarding leads and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant

- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary
- The attendance lead will review concerns with families, agree appropriate support and review dates, and keep a record of actions and their impact.

For unexplained or unauthorised absence, the school may use direct contact, meetings, written communication and closer monitoring, escalating where appropriate under the local authority code of conduct.

10. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum every two years by the Principal. At every review, the policy will be approved by the full board of trustees.

10. Links with other policies

This policy links to the following policies:
