Dear Parent / Carer

**Parents' Meeting this term.**

I hope this letter finds you and your families well and safe.

Under usual circumstances, I'd be writing to you about the up and coming parents' meetings this term. However, as the majority of children have not been in school since December, it has been decided to cancel this term's parents' meetings.

Many of you speak with your children's teachers on a daily basis via Class Dojo and along with this communication and your support with home schooling, you will have an excellent gauge on how your children are progressing.

However, if you would like to discuss your child's work and progress further, please feel free to contact their class teacher via the Class Dojo messaging tool and they will endeavour to arrange a 10 minute catch up call with you over the next two weeks.

Sometime today, the government will be making an announcement about schools and any possible return dates. I will keep you informed as soon as I receive the update.

Warmest regards
