

## Frozen Kingdoms Learning Journey

In this project, you will learn about the characteristics and features of polar regions, including the North and South Poles, and you will complete a detailed exploration of the environmental factors that shape and influence them.

### Delving deeper into the poles

 Geography	Longitude and Latitude
 Geography	Polar climates
 Geography	Polar day and night
 Geography	Polar oceans
 Geography	Polar landscapes
 Geography	Climate changes
 Geography	Natural resources in the poles
 Geography	Indigenous people
 Art	Inuit Art

### Polar flora and fauna

 Science	Flora and fauna classification
 Science	Classification keys
 Science	Adaptations
 Science	Polar adaptations

### Polar expedition

 History	Antarctic exploration timeline
 History	Scott's ill-fated <i>Terra Nova</i> expedition
 History	Shackleton's <i>Endurance</i> expedition
 History	The unsinkable Titanic

### Discovering the Arctic

 Geography	What will an explorer need to know about the Arctic Circle to prepare for their expedition?
