

Starry Night Learning Journey

 In  this  project  you  will  explore  the  differences  in  the  world  at  night  compared  to

 during  the  day.  You  will  learn  about  the  importance  of a  good night's  sleep,  and  find out

 about  what  is  happening  in  the  world  while  you  are  sleeping,  including  finding out  about

nocturnal animals.

Comparing Day and Night

	Communication and Language	What is the difference between day and night?
--	----------------------------	---

Time for bed

	Understanding the world	What happens when I fall asleep?
	Understanding the world	Who works when I am asleep?
	Expressive Arts and Design	What is a bedtime routine?

Out in space

	Mathematics	How many stars?
	Physical Development and Expressive Arts and Design	What is the moon made out of?
	Physical Development	How does a star move?

Nocturnal animal

	Understanding the world	What is a nocturnal animal?
	Mathematics	How many creatures in the woods?
	Understanding the world	Who lives in the cave?
